SummaryOverall impression

- Wide, spacious, outdoors, flat plane
- Smaller object on the plane that is rectangular, longer than wide,
- ~~There seems to be~~
- The plane seems to slope upward in a curved fashion to the rectangle rather sharply
- Predominant color is blue (interior of rectangle,
- Rectangle seemed to be divided into squares by wavy lines
- Outside of rectangle is gray and smooth
- Plane is gray
- Plane and rectangle seem to be the same basic color (gray)
- There appeared to be a horizon line in the background. The area above the line was divided into 3 ~~shapes~~ basic shapes — to the left were wavy gray lines going from upper left to lower right — on the right was a dark green mass that appeared to be solid, sloping up from left to right — area between was light blue

- Target appeared to be illuminated by a low light level
- At one point the rectangle seemed to stretch out and became a pipe which was spinning
- Early impressions were of a light colored spoon-like object resting on a flat plane. The bottom of the spoon-like object later appeared to be immersed in the plane.
- The purpose of the target is for swimming and giving pleasure.
- The target had a salty taste associated with it.
- There was a momentary sweet smell like vanilla or coffee.
